| FuelStik "Master"<br>Patent Pending   |                |
| <a href="http://www.fuelstik.com">www.fuelstik.com</a>                              |                |

Cut Along Bold Lines - Finished Size 8 15/16"

**Caution** - The operator of the FuelStik "Master" is solely responsible to assure that the correct scale is properly installed in the Float Tube and that through on-ground experience the operator has observed that the quantities shown are accurate. The FuelStik is a secondary means of estimating fuel quantity and in no way is meant to replace the fuel measuring equipment mandated by FAR's or otherwise.
